No Child Should Ever Go Hungry

Your **IMPACT** means
The world to us!

The background is a solid teal color. It features several large, semi-transparent, light teal circles of varying sizes scattered across the frame. Additionally, there are several clusters of thin, light teal wavy lines, resembling stylized water or ripples, positioned in the upper and lower portions of the image. The text is centered and rendered in a clean, white, sans-serif font.

Here's how your donation
is making a difference.

Your \$2,000 donation adopted and funded the following school for the 2022-2023 year.

Murray High

That's 1,400 meals!

Murray High

First, let me express our sincere gratitude for supporting the Murray High School community through the USANA Kids Eat program. Approximately one in every four students at Murray identifies as economically disadvantaged. This does not include the students who do not complete the paperwork to declare economic hardship. The Kids Eat program has helped provide these students the assurance and security of nutrition and regular meals. Students have been identified and are given a food bag every Friday. Many students were apprehensive at first but have since come to rely on that bag. One parent mentioned to me, "These bags have been really helpful. With our large family, I often run low on our food stamps and these bags help supplement what I am unable to." Thank you, again, for your support of Murray and our students.

Sincerely,

Murray High School Administration

100% of your donation goes towards food and the distribution of the bags. This is made possible because USANA covers all of our administrative costs.

Any of your donation that was not used by your adoptive schools was used for refugee families and new move-ins from other schools.

The background is a solid teal color. It features several abstract, light teal shapes: a large semi-circle at the top left, a smaller semi-circle at the top right, a large semi-circle at the bottom left, and a large semi-circle at the bottom right. Additionally, there are two sets of wavy, vertical lines in a slightly lighter shade of teal, one set in the top center and one set in the bottom right corner.
